

New York - New Jersey
Harbor Estuary Program

**New York
HARBOR
SCHOOL**

THE RIVER PROJECT

Come Join The River Project, New York Harbor School, NY-NJ Baykeeper and the NY-NJ Harbor Estuary Program for the Fall 2007 Oyster Gardener Training Event

Where: The River Project, Pier 40 (at Houston Street) – Wet Lab on South Side of the Pier
When: Monday, October 15, 2007 at 6:00pm

Mingle with new and current gardening groups to learn about the program, gardening techniques, and pick up your oysters.

For more information or to RSVP, please contact JT Boehm (jt@riverproject.org) Meredith Comi (Meredith@nynjbaykeeper.org) or Katie Mosher-Smith (k.mosher-smith@gmail.com)

We look forward to seeing you there!

Directions to Pier 40:

By Train: 1 train to Houston Street – follow Houston west to West Street, and cross to the pier. The storage space is on the south edge of the pier (the extreme left as you approach)

By Car: Pier 40 is at Houston Street, north of Canal and south of 14th Street. You can turn directly onto Pier 40, and pay parking is available on site.
