

**THE RIVER PROJECT**

## **Come Join The River Project, New York Harbor School and NY/NJ Baykeeper for the Spring/Summer 2008 Oyster Gardening Event**

**Where:** The River Project, Pier 40 (at Houston Street) – Wetlab on the South Side of the Pier

**When:** Tuesday, June 17, 2008 at 5:30pm

Mingle with oyster enthusiasts and gardening groups and learn more about the expanding New York Oyster Program. Students from the New York Harbor School's Harbor Corps will talk about their year working as part the New York Oyster Program and using gardening techniques. Bring in oysters and we'll plant them in The River Project's wetlab, the solar reef in College Point, Queens or the Bronx River reef.

For more information or to RSVP, please contact Katie Mosher-Smith ([k.moshersmith@gmail.com](mailto:k.moshersmith@gmail.com)) or J.T. Boehm ([jt@riverproject.org](mailto:jt@riverproject.org))

We look forward to seeing you there!

### **Directions to Pier 40:**

**By Train:** 1 train to Houston Street – follow Houston west to West Street, and cross to the pier. The River Project's space is on the south edge of the pier (the extreme left as you approach) about half way down the pier.

**By Car:** Pier 40 is at Houston Street, north of Canal and south of 14<sup>th</sup> Street. You can turn directly onto Pier 40, and pay parking is available on site.
